

Youth Leadership Program

August 11th-13th 2010

Habitat for Humanity is known throughout the world for building simple, decent affordable housing with those in need. Tacoma/Pierce County Habitat for Humanity's Youth Leadership Program is an opportunity for High School students to volunteer for one of the most recognized organizations in the world, right here in Pierce County.

Students will learn about Habitat and the need for affordable housing in our community, spend a day working on the construction site, and get the tools they need to lead their communities in the fight to eliminate substandard housing. This is a great opportunity to gain leadership skills as well as community service experience.

Applicants must:

- ◊ Be an enrolled high school student for the 2010-2011 school year
- ◊ Be 16 or older by August 11th
- ◊ Demonstrate an interest in community service
